Motivating your child and Managing Expectations

Does your child possess a Growth or Fixed Mindset? Do you possess a Growth or Fixed Mindset?

Do you have realistic expectations of your child? Are you adopting a strengths based approach?

Join us at Junyuan Primary School for an insightful workshop –
“**Motivating your Child and Managing Expectations**”

Date – 24th March- 9.00 am to 11 am

Venue- Library Resource Room ,Level 1

This workshop seeks to help you rediscover your child and equip you with tools to develop and enhance your child's strengths. Topics include:

- Discovering Facts about Your Child
- Learn about Parenting Styles
- Adopting a Strengths Based Approach
- Understand the difference between Growth and Fixed Mindset Parents, and Students
- How motivated is your child?
- Encouraging Your Child
- Setting realistic expectations
- Study Skills Profiling

Register through sms only @9337 7176 with your child's name, class, parent's name and number of people attending the talk. You will be given a registration number in the reply to the SMS. Light refreshments will be served.
