#### Our School Mission

*Nurturing Every Child in a Vibrant and Caring Environment where Talents Blossom*

### Welcome Back to School

We look forward to welcome back our students on 27 Jun 2022. We hope that you and your family have had some well-deserved break during the June holidays whilst adapting and adjusting to prevailing Safe Management Measures (SMM). We will continue to ensure that SMMs are in place to keep our students safe:

- Students are to wear face masks (high filtration masks are strongly encouraged) when they are within the school premises unless there are pertinent medical conditions / they are participating in physical activities.
- Students to adhere to personal hygiene habits (handwashing, wipe down personal spaces).
- Students should bring their working Oral Digital Thermometer (ODT) to school for temperature taking.
- Parents are to keep their children at home if they are unwell with flu-like symptoms. They can return to school when they have recovered and have no flu-like symptoms.

Thank you for working alongside us in our efforts to keep our school safe.

### Racial Harmony Day

The school will be commemorating Racial Harmony Day (RHD), which marks the anniversary of the 1964 Riots during Term 3 Week 4. The theme for this year's RHD is **Our Multicultural Mosaic**.

The theme reflects how each community, while having the space to express its own identity as part of Singapore society, also intertwines with others to depict the unique cultural diversity that characterises Singapore life. The overall picture may change with time as our society evolves, like all societies do, but the hues will continue to complement one another because of our long-shared history and heritage. This is Singapore's bespoke approach towards multiculturalism and social cohesion, where the experiences of every individual matter and add to our diversity.

Besides class activities during CCE (FTGP) lessons, our students will also be engaged in fringe activities during recess. Through these activities to appreciate the multicultural identity of Singapore, we seek to help our students apply the theme in their lives, to explore what it means to strengthen connection amongst communities, and to take action to preserve racial harmony in Singapore.

On **Thursday, 21 July 2022**, our students are encouraged to come to school dressed in ethnic costumes representing the four main ethnic groups so that they grow in appreciation and understanding of the different cultures; and strengthen the collective identity of Singaporeans. **Do note that with the ethnic attire, hair accessories must still be in accordance with the school rules and safety rules. Hence, school shoes should be worn.**

## P6 Preliminary Examination Matters

### Absence from Examinations

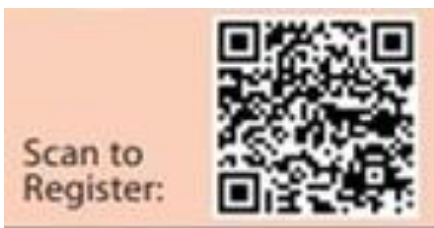

Please note that if your child is absent for any paper during MYE, his/her absence must be supported with a letter from parents with official supporting documents to be considered as "Absent with Valid Reason".

We appeal to parents to exercise personal responsibility and refrain from sending your child to school if he/she is unwell or has been certified by a doctor to be unfit for attendance in school. A child who is unwell will not perform at his/her best.

Once your child returns to school, the subject teacher will arrange for him/her to sit for the paper for the purpose of revision and practice. The teacher will mark the paper and give your child feedback on his/her performance. The marks for the paper will not be included in the overall results. However, we will make the necessary adjustments to ensure that his/her overall results are fair and valid.

### Webinar for Parents: Common Childhood Eye Conditions

Health Promotion Board (HPB) is partnering Singapore National Eye Centre (SNEC) to provide a free webinar for parents on common childhood eye conditions such as Myopia and Lazy Eye. The webinar will take place on **Saturday, 2 July 2022, from 9.30am to 10.30am**. More information has been included in the EDM attached separately.
