JUNE-JULY 2024

Our School Vision

Future-Ready Learners, Leaders of Character

Our School Mission

Nurturing Every Child in a Vibrant and Caring Environment where Talents Blossom

Welcome Back to School!

We hope you had a wonderful break and enjoyed some well-deserved rest and precious time with your family and friends. We look forward to have you back at school, ready to dive into new learning adventures and make the most of the new semester.

As you return to engage with your friends and teachers, remember that learning doesn't stop at the school gates. You can expect to explore beyond the classroom setting through CCA, learning journeys, and projects that will take you into the community and beyond. Embrace these opportunities to discover new passions, develop new skills, and make meaningful connections with your peers and the world around you.

We believe that learning should be a joyful and lifelong journey. This is why your teachers have designed a range of learning activities that will instil a love of learning and to grow each of you as self-directed learners, confident communicators, adaptable individuals as well as gracious and active citizens.

Have an amazing journey ahead!

Regards
JYPS School Leaders

MORNING PRE-ASSEMBLY PROGRAMMES

To engage students in the morning during pre-assembly, various programmes are planned from 7:20 am – 7:30 am. Students are encouraged to attend these programmes in the morning before the flag raising ceremony.

RACIAL HARMONY DAY

The school will be commemorating Racial Harmony Day (RHD), which marks the anniversary of the 1964 Riots during Term 3 Week 4. The theme for this year's RHD is ***Our Multicultural Mosaic***.

The theme reflects how each community, while having the space to express its own identity as part of Singapore society, also intertwines with others to depict the unique cultural diversity that characterises Singapore life. The overall picture may change with time as our society evolves, like all societies do, but the hues will continue to complement one another because of our long-shared history and heritage. This is Singapore's bespoke approach towards multiculturalism and social cohesion, where the experiences of every individual matter and add to our diversity.

Besides class activities during CCE (FTGP) lessons, our students will also be engaged in fringe activities during recess. Through these activities to appreciate the multicultural identity of Singapore, we seek to help our students apply the theme in their lives, to explore what it means to strengthen cohesion amongst communities, and to take action to preserve racial harmony in Singapore.

On **Thursday, 18 July 2024**, our students are encouraged to come to school dressed in ethnic costumes representing the four main ethnic groups so that they grow in appreciation and understanding of the different cultures; and strengthen the collective identity of Singaporeans. **Do note that with the ethnic attire, accompanying hair accessories must still be worn in accordance with the school rules and safety rules. Hence, school shoes should be worn too.**

LIBRARY WEEK

To cultivate students' interest in reading, lots of fun and interesting activities will be organised during our Library Week. Students can look forward to literacy activities and there will also be games conducted in their Mother Tongue languages.

Library Week will be held from 2 July to 4 July during all the recesses.

P6 PRELIMINARY EXAMINATION MATTERS

Absence from Examinations

If a student is absent for any paper or subject during the P6 Preliminary Examinations, his/her absence will need to be supported with a Medical Certificate from the doctor. Letters from parents with official supporting documents will be accepted as valid reasons for absence.

Students should not be encouraged to come to school to sit for the examination if they are unwell or have been certified by a doctor to be unfit for attendance in school. A student who is unwell will also not perform at his/her best.

Once the student returns to school, the subject teacher will arrange for him/her to sit for the paper for the purpose of revision and practice. The teacher will mark the paper and give the student feedback on his/her performance. The marks for the paper will not be included in the overall results at the end of the year. However, students who are absent for the EL or MT Oral Examinations will be able to sit for the papers on the designated oral make-up day and their marks will count towards their final total.

SAFETY REMINDERS

Road Safety and Regulations

During the school dismissal, we noticed parents/guardians,

- 1) queue and wait in their cars along Tampines Ave 4 Road for their children before/during the school dismissal. The long queue formed along the Tampines Ave 4 Road caused traffic congestion, resulting public buses not able to drive into the bus bay of the bus stop near the bridge (outside Side Gate 2).
- 2) wait for their children on the overhead bridge. This caused human congestion and obstruction to other users using the overhead bridge, resulting others not able to use the bridge safely.

We would like to remind parents to be considerate road users, and mindful of road safety and regulations.
