MoneySense for Your Child

Programme Specially Curated for Parents

Through these Workshops and Talks, parents can learn the importance of inculcating good financial habits from young.

It also covers ways you can help your children learn how to:

- Cultivate healthy financial habits
- Budget and save
- Differentiate between needs and wants
- Be a young smart consumer

All sessions are complimentary and virtual.
For any enquiries, please email ifl@spi.edu.sg.

INSTITUTE FOR FINANCIAL LITERACY
MONEYSense - SINGAPORE POLYTECHNIC INTERNATIONAL

moneysense
money matters made simple

The Institute for Financial Literacy is a collaboration between MoneySense (Singapore's National Financial Education Programme) and Singapore Polytechnic International.

We provide free and unbiased financial education to the public and do not promote financial products.

You can find us at www.ifl.org.sg for other financial education programmes we offer.

Post PSLE Enrichment - Financial Literacy Package

Financial Literacy Package

The package consists of curated resources from the Student Learning Space (SLS) and online resources from local banks. The aim of the package is to reinforce and recap on certain financial concepts that are infused in primary school curriculum as enrichment for post PSLE students.

Financial concepts that are reinforced in the package includes:

1. Value of money
2. Importance of savings
3. Budgeting
4. Difference between needs vs wants.
5. Digital payments
6. Responsible use of credit

No.	Source	Topic(s) covered	Resource Title and link	Assessment
1	SLS	Budgeting, savings	Monster of The Debt Game	In this game, you will be the hero to fight all the monsters who cause debt. In order to defeat the monsters, you will need to plan your budget well with a good balance between savings and debt. Plan your finances well and purchase the suitable weapon to fight the monsters!
